BIBLE READING  
NEW TESTAMENT

**Don't worry about starting at the beginning, jump in and join us at anytime for our 2 year Bible read through.**

\*a note on the historical chronology prioritized reading

- The synoptic gospels are first, in order of their writing dates to establish the New Testament history with the ministry of Jesus.
- The reading in acts is interrupted throughout in order to read various epistles whenever the narrative arrives at a point in which the epistle was written.
- The writings of John, being the last written books of the New Testament, are last, and are ordered by their likely dates of composition.
